

COMMUNITIES HEALTH CHECK

BEFORE YOU BEGIN

This booklet provides six simple questions to help you evaluate the health of your Celebration Community. The purpose of this health check is to support and direct our Communities towards a place where they remain centered around the three primary goals of discipleship:

BE WITH JESUS
BECOME LIKE JESUS
DO WHAT JESUS DID

Ask the following six questions of your Celebration Community. Resist the temptation to feel disappointed if your Community is unable to directly or clearly answer each question. Instead, use this health check as a resource to help identify areas where you as a Community can grow.

COMMUNITY HEALTH CHECK

BEING WITH JESUS

- (1) How is my Celebration Community prioritizing time together with Jesus?
- (2) How is the Holy Spirit leading my Celebration Community to abide in Jesus and one another on a deeper, more meaningful level?

BECOMING LIKE JESUS

- (3) Through practicing the way of Jesus together, how is the Holy Spirit leading the members of my Celebration Community to be transformed?
- (4) Where are your opportunities to grow, and in what ways are the members of my Celebration Community encouraging one another to take these steps?

DOING WHAT JESUS DID

- (5) Am I aware of how or where the Holy Spirit is leading us as a Celebration Community to go?
- (6) Is our time together as a Celebration Community leading us to the type of Spirit-filled transformation that empowers me to do the things Jesus did (i.e.: sharing the Gospel, eating with people far from God, reaching our neighborhoods through acts of service, etc.)?
